

A PLACE FOR YOUR ART

The art you love but do not have room for can create a **WIN—WIN – WIN** situation. Several organizations in Georgetown County that serve children and families have space just waiting for some art work. If you have purchased that piece that caught your eye, or painted one you don't need anymore, you will benefit yourself and the non-profit that receives it and you will get a receipt for a tax deduction. Everyone wins and the art will please so many people!

Organizations that would love to give the art a good home:

Teach My People
SEWEE Association
Smith Medical Clinic
St. Frances Animal Shelter
Friendship Place
Habitat for Humanity Georgetown
Helping Hands of Georgetown
Georgetown county Board of Disabilities and Special Needs
Father to Father Project
Rape Crisis Center
Miss Ruby's Kids
