## FRANCES P. BUNNELLE FOUNDATION

*Striving to improve the quality of life for  
Georgetown County Citizens.*

### MISSION

Mrs. Frances P. Bunnelle created the Bunnelle Foundation prior to her death in 2000 in order to support charitable causes serving Georgetown County. The Frances P. Bunnelle Foundation is a supporting organization of the Coastal Community Foundation of South Carolina. The Bunnelle Foundation's mission is:

To improve the quality of life for Georgetown County citizens by focusing on causes consistent with Mrs. Bunnelle's values, with emphasis on:

- Addressing the root causes of poverty
- Meeting basic human needs
- Advancing equitable economic growth and environmental conservation; and
- Encouraging positive youth development.

**This information booklet is your personal guide to dozens of community and nonprofit 501 (c) (3) groups in Georgetown County, many funded in part by the Bunnelle Foundation, that are working to improve the lives of the residents of the county. Each of these organizations meets a special need and can use your support in many ways. Please take this opportunity to seriously consider how you can give back to your community with your talents, time, or money in the spirit of Mrs. Bunnelle.**

This booklet is compiled as a public service. Inclusion does not imply endorsement by the Bunnelle Foundation. Georgetown County enjoys a healthy non-profit presence. Other organizations that may be influential in Georgetown's future may not be listed here. The Foundation welcomes inquiries and suggestions for inclusion in future issues.

## **LOOKING FOR MORE INFORMATION?**

**GuideStar.org** is a source of further information about many of the organizations listed in this booklet. GuideStar is a resource that connects people and organizations with valuable information to improve the world around them. GuideStar provides comprehensive data on more than 1.5 million nonprofit organizations, connecting them with donors, foundations, businesses, and governing agencies in a nationwide community of giving.

The information GuideStar provides contains searchable data from IRS Forms 990 and the IRS Master Business File, including comprehensive facts on employee compensation and grant activity. With the eDocs service, nonprofits can add their annual reports, audited financial statements, letters of determination, and other documents to the store of information, making GuideStar a powerful tool for prospective donors and volunteers. GuideStar is the registered trademark and operating name of Philanthropic Research, Inc., a 501 (c) (3) nonprofit organization.

## **COMMUNITY AGENCIES SUPPORTED BY THE BUNNELLE FOUNDATION**

The Bunnelle Foundation has made positive changes for the residents of Georgetown County. In addition to the non-profit organizations, several municipal and county agencies have received funding from the Bunnelle Foundation for projects focused on the causes Mrs. Bunnelle supported. These have included the City of Georgetown, Georgetown Alcohol and Drug Abuse Commission, Georgetown County Bureau of Aging Services, Georgetown County Water and Sewer Authority, and the Howard Adult Education Center. Some of these programs may have volunteer and donation opportunities.

The Bunnelle Foundation does not include the many Georgetown County arts organizations in its mission. For information on these vital organizations' needs, please contact the Cultural Council of Georgetown County at 843-237-3035 or [www.ccgeorgetown.org](http://www.ccgeorgetown.org).
